

ACEPREP AI - PRIVACY POLICY

Effective Date: 2026

AcePrep AI values the privacy and security of its users. This Privacy Policy explains how user information is collected, stored, and used within the application.

Information We Collect

AcePrep AI may collect the following information:

- User Name
 - Email Address
 - Authentication Information
 - Quiz Scores
 - Interview Results
 - Career Prediction Data
-

Voice Data Usage

The application includes voice-enabled interview functionality using Android Speech-to-Text and Text-to-Speech services.

Voice input is processed securely through Android system services and is only used for interview interaction purposes.

How We Use User Information

User information is used to:

- Provide personalized AI feedback
- Generate interview evaluations
- Track user progress
- Generate performance analytics
- Predict suitable career paths

Data Storage

All user-related data is securely stored using:

- Firebase Authentication
- Google Firestore Database

Reasonable security measures are applied to protect user information.

Third-Party Services

AcePrep AI may use third-party services including:

- Firebase
- Groq API
- Google Speech Services

These services may process limited information required for app functionality.

Data Sharing

AcePrep AI does not sell, rent, or share personal user information with unauthorized third parties.

User Rights

Users may:

- Update their account information
 - Delete their account
 - Request removal of stored data
-

Children's Privacy

AcePrep AI is not intended for children under 13 years of age.

Security

We implement appropriate security measures to protect user data against unauthorized access or disclosure.

Changes to Privacy Policy

This Privacy Policy may be updated periodically. Users are encouraged to review the policy regularly.
